

CLERKS REPORT 11/12/24

Policies

The updated Safeguarding Policy has been forwarded to the Sizewell C Community Fund team for their approval. A copy of the amended policy appears on the website.

Car park

Please note repairs will be undertaken on the car park on Friday.

Vehicle signage

At the last Parish Council meeting the size of the Sizewell C signage was mentioned. I followed a 4x4 truck on my way back from the last coffee morning and the sign was on the back of the vehicle and it was approximately the size of an A4 sheet of paper but oval shaped.

Solar Park Payment

Contact was made with the BSR Energy team about the promised payment from the solar park and the response states that the agreement and the payment will be made available upon energisation of the park – the first day it generates electricity. This is planned to be October 2025. Contact will be made over the next 10 months to provide any further updates.

Annual Leave

Please note that I will be absent from work after the 19th December as I have an operation booked for the 20th December. My intention is to be off work for at least 4 weeks, this may be more or less, I am unsure. This would mean my return to work may be the 20th January.

If for any reason this is cancelled, I will be on Annual Leave from lunchtime on the 23rd December through to the 3rd January.

Thank you for all your support this year. I hope you all have a wonderful Christmas and best wishes for 2025.
